

**Kanata Research Park Family Centre
Is looking for...**

**Dedicated, professional and enthusiastic camp leader for Early French Immersion
Summer Camp.**

The goals of the Early French Immersion Summer camp are to extend confidence in French and prepare the children for early French immersion grade one by:

- **providing a francophone environment so the children become accustomed to hearing instructions in French.**
- **expanding French vocabulary.**
- **encouraging the children to respond and initiate conversations in French.**

Requirements:

- Experience working with children
- Bilingualism (English/French)
- Ability to work in a team environment
- Strong communication skills
- Belief in family centred approach
- Understanding of programming and child development
- Knowledge of school age activities

Assets:

- Early Childhood Education diploma or current enrolment in an Early Childhood Education program
- First Aid & CPR certification

Respond by Friday, May 14th, 2010
